Attention: Mr. Harold McAbee

Subject: Recycle Fiber Facility

Gentlemen:

In reference to the recently completed modification of our Recycle Fiber facility, I would like to, on behalf of Container Corporation of America and myself, express my sincere appreciation for a job well done.

All those involved in coordination efforts to meet a tightly imposed schedule did a first class job. I would like to give special thanks to Mr. Heaton for his efforts here at the job site. His conscientiousness and the pride he takes in his work and the company he works for cannot go unmentioned. Mr. Jones needs also to be commended for his organizational efforts in getting a work force together for the shutdown on a no notice basis and meeting our startup schedule.

Again, I thank you and look forward to doing business with you in the future.

Very truly yours,

CONTAINER CORPORATION OF AMERICA
Fernandina Beach Mill Division
