5724 21st Street  
Tuscaloosa, Alabama 35403

Attention: Harold McAbee

Dear Harold,

We have completed the MD Project for Daikin. It was not an easy project for Chiyoda International Corporation or McAbee Construction Company. We had to overcome many obstacles.

Despite the barriers we encountered, we were able to give Daikin a quality project. This occurred because of the willingness of your company to work with us in any way possible to bring it to a successful conclusion. We want you to know we appreciate the extraordinary effort your company extended us. We hope we can work with you on any future endeavors.

Sincerely,  
CHIYODA INTERNATIONAL CORPORATION

  
R.A. Kennedy  
Construction Manager
