Mr. Harold McAbee
MCABEE CONSTRUCTION
P.O. Drawer 1460
5724 21st Street
Tuscaloosa, AL 35403

Dear Harold:

I am writing to express our appreciation of the excellent work carried out by McAbee Construction on our plant expansion project. During the design of the expansion, Billy King's experience and knowledge of our plant was invaluable. The construction was ably followed up by Hoyt Hester. On site supervision by Don Tucker was excellent. He responded well to the many changes in priority that were necessary to keep the downtime on our existing process to a minimum and still got the project completed on time. A job well done, many thanks.

Sincerely,

Peter Wilkinson
Technical Manager
