Mr. Leroy McAbee
McAbee Construction Company
P.O. Box 1460
Tuscaloosa, Ala. 35401

Dear Mr. McAbee,

On this date we had a fair sized fire in our plant. Your people working on our construction, without being told, helped drag out fire hoses, etc., and helped us put out the fire.

Southern Resins, it's employees, and myself appreciate the cooperation and the efforts that your people made in this situation. They are to be commended.

Very truly yours,

Walter S. Allen
