SUBJECT MATTER Shutdown - Georgia Kraft Paper Mill, Rome, GA

Mr. Leroy McAbee
Mr. Harold Jacobs
c/o McAbee Construction Co.
Tuscaloosa, Alabama

Dear Sirs:

During the past year, McAbee Construction Company performed a shutdown at Georgia Kraft Paper Mill, in Rome, Georgia, within the local jurisdiction of Plumbers & Steamfitters Local Union No. 766.

It is with great pleasure that Local Union No. 766 would like to thank McAbee Construction Company and Georgia Kraft for their contribution in making the shutdown a well-planned and coordinated operation.

Contractors of McAbee's caliber were thought to be a thing of the past, but you proved this to be false. Your supervision and craft coordinators were well versed in the management of a papermill shutdown. Not only did you furnish every tool which could have been needed, you also demonstrated your concern for your client's plant and this local union.

It has been some time since a contractor has shown such consideration for this local union and it was, and is, deeply appreciated.

We hope that the New Year will be a prosperous one for McAbee Construction Company and for Georgia Kraft.

Sincerely,

Harry J. Burkett, Jr.
President
