Mr. Tommy Muckenfuss  
McAbee Construction Co.  
P.O. Drawer 1460  
5724 21<sup>st</sup> Street  
Tuscaloosa, AL 35403

Dear Mr. Muckenfuss:

Your company performed work during the recent December shutdown at Mercedes-Benz U.S. International. This work involved the erection of a steel mezzanine in the PPS Shop.

We want to congratulate your company on a job well done. The work accomplished during the short time frame was outstanding considering the inclement weather and holiday season. The efforts of your crew are greatly appreciated by the PPS Shop. We feel that our goals for the shutdown were met and that this would not have been possible without your company's contribution.

Thanks again for a job well done.

Sincerely,

Randall Harris

PPS MBUSI
